

FLI, MTB MLE Committee Training 1

Gilgit (Palace Hotel), 3-5 July 2011

Objectives:

- Enable the participants to see the overall MLE program, its components and structure, and the importance of incorporating the mother tongue and cultural values into it.
- To make them aware of the role and responsibilities of the MLE committee, coordinator, and the community.
- A good plan for future training and a well thought date for starting their MLE schools
- Plan for conducting surveys, if not done yet, to determine in which area they are going start the program.
- Give examples of successful MLE projects to try to implement good practices in the planning of their program.

Facilitators from FLI:

Naseem Haider, Training Coordinator, and Muhammad Zaman, Language Development Consultant.
